## Property Description

Awesome Luxury Single Family Home in Santa Ana, from the moment you walk up to this property, you will realized this isa unconventional house. It is a two level house, however all the living area including bedrooms ar on ONE floor. You'd get in side the house through the upper level. Passing through the lobby of this beautiful house, you will fill you are a world between the traditional, rustic and contemporary styles with all the luxury and good taste for details. Once in the living room you'll notice the freshness and lightness, combined with details of its wooden ceilings and double height, as well as its beautiful central fireplace, making this area a warm and relaxing place every day.From the balcony and even the kitche, the view is simply incomparable. You'll have views of the valley, mountains and the city. The main dining area is a mix of classic and contemporary styles. The kitchen features a breakfast area and a large pantry; also beautiful details and finishes in granite and wood.
