Property Description

This lot of just under a half-acre is a great place to build your southern Costa Rica Pacific beach home. The lot is flat and completely buildable. It is just off the main paved road that runs to the entrance of the Marino Ballena National Park. This beach village and park entrance are a short walk or bike ride from the property. The town of Uvita is less than 5 minutes away. The property is adjacent to a well-maintained dirt road. Access to water and electricity can both be easily obtained. This property is ready and waiting for you to build your dream home in Costa Rica.
