Property Description

Think of a lifestyle change - having the ability to gaze out over the Pacific Ocean every morning, afternoon and evening. Start with viewing a very private villa available for sale featuring: over 3000 square feet of living space with spectacular views from every room, exquisite solid Costa Rican hardwood curved staircase and foyer area leading to an open dining and living area that flows out to the covered terrace, the gardens and pool. The extra-large kitchen has granite counter tops, stainless steel appliances, exhaust hood vent over the stove as well as a large walk in pantry with extra storage below. This exceptional villa has three bedrooms all with en-suite bath plus an office that can easily be used as a 4th smaller bedroom. In the master bedroom there is a walk-in closet and spacious bathroom (with bidet) and large walk out private patio where you can enjoy panoramic views.
