Property Description

Beautiful open area house with a large elevated entertainment and recreation area with great mountain views. It has 4 bedrooms plus an office, kitchen and dining area and an open living room, 3 bathrooms plus laundry. There is also a 3 bedroom 1 bathroom house for the caretaker and another with 4 bedrooms, 2 bathrooms plus a 2 car garage used by the owner's son. In the property, each house has a separate gated entrance from the paved subdivision internal road. There is a permanent guard in the guard house at the entrance to the sub division. There is a large swimming pool that needs a little work and clean up.
