Property Description

This cool elevated jungle lot is located just a short 5-minute drive to Samara Beach or an easy and flat 15-minute bike ride to Samara downtown. This property boasts an elevated building platform that is surrounded by lush jungle and large fully grown Guanacaste trees with a nice, quiet river 250 meters to the west in the summertime. The lot is set in a quiet and private area ready for your home to be built on it and features some very nice mountain views. It's also set back from the road so dust is not an issue here, and for someone looking for additional building space, the lower lot is also available. Plus, water, electricity and high-speed fiber-optic internet are all available here. For more information call 8841-0634 or email Nick@coldwellbankersamara.com
