Property Description

Cocobolo # 1 is a beautiful 16,600 square foot property with a preliminary building pad set into the hillside with plenty of room for an incredible garden. The jungle canopy here at Cocobolo Lot #1 allows good light throughout the day but also keeps the property very fresh. Los Cocobolos consist of 4 vacant lots and a newly constructed custom home. The home sites are tucked off of the main around with shared private access in a canopy of Guanacaste and Cocobolo trees giving the property year-round shade and a profound green landscape. It is a very peaceful location and a short drive to Guiones, Playa Pelada, Del Mar Academy, making it a very central location. It is one of the best values of land per square meter in Playa Pelada.
