Property Description

The Ocean and Island View farm consists of 151 acres (62 ha) in the foothills of Dominical, sided by a beautiful river with waterfalls and swimming holes. Great ocean views, Manuel Antonio island views and mountain views. Cleared areas bordered by secondary and primary forest. Perfect Brand new access created. Natural Platforms with amazing ocean and jungle views offered at a Developer's Price. Excellent Potential for a high end Project. Simply cannot go wrong with this investment! The Ocean and Island View Farm is located in an up and coming area and backs to an already established residential neighborhood. This farm is the keyhole to the entire mountain development potential!. Plenty of water, electricity located just a few kilometers away. A newly paved highway now connects the Jaco area to Dominical. This farm will see huge increase in value in the coming years. The Ocean and island view farm is perfect for an upscale eco-retreat or eco friendly condominium development.
