Property Description

Welcome to prestigious development Mar Vista. This one-of-a-kind, custom designed, newly constructed, modern home features 4,000 square feet of indoor/outdoor living space with spectacular ocean views of The Papagayo Peninsula and Monkey Head Rock. This luxury 3-bedroom, 3.5-bathroom home with matching casita offering an additional bedroom and bathroom is located 500 feet above sea level in a private gated-community in Playa Hermosa, Guanacaste. This home is situated on 1.43 acres of usable land, one of the largest usable lots in Playa Hermosa and features a professionally designed putting green, practice area and par 3 golf course.
