Property Description

Vista Perfecta 12 is a 1 bedroom, 2 Bathrooms Townhouse Loft, situated on the hillside of Playas del Coco with a beautiful view of Guanacaste's dry tropical forest. A great feature of this single building, two townhouse design, is a sense of privacy. To the right of the entrance is a small nook, perfect for kicking off your flip flops and hanging up your sun hat. The sleek, modern kitchen has ample counter space and cabinetry and there's plenty of room for a dining table for four. This townhouse maximizes its sleeping arrangements with a full size bed and fold down sofa in the living area. Open the sliding glass door to a back patio to take advantage of the tropical breezes. A full bath completes this floor. Take the stairs to the second floor bedroom. The large double windows and sliding glass doors illuminate the room with natural light and is furnished with a queen size bed, large chest of drawers, and vanity.
