Property Description

SOLD SOLD SOLD Perched in the hills above Playa Prieta, you will find Prieta Breach Houses - two ocean view homes! The beautiful upper 3 bedroom, 2.5 bathroom home is 3336 sq ft, with 1722 sq ft of air conditioned space. The second home is 3220 sq ft (2260 sq ft air conditioned) with 4 bedrooms and 4 bathrooms. Located just above the ocean, with breathtaking panoramic views that extend from Potrero Beach to Las Catalinas, here, you'll experience priceless sunsets all year long. Recently renovated in tropical modern style, the main villa features three bedrooms, two and a half bathrooms, a comfortable and spacious living space, a sleek, well-equipped modern kitchen to entertain large parties, and a fabulous 1615 sq ft covered terrace with a private pool that takes advantage of the stunning ocean views and sunsets. Imagine walking out from your bedroom to the veranda with your morning coffee or tea and taking in the tropical sounds and the early morning ocean views.
