Property Description

-- Under Contract -- This newly-constructed 2-bedroom, 2 bathroom house is just 3.5 km to Samara or Buena Vista beaches. Close enough to town to be convenient, but far enough away to be quiet. This is Costa Rican living at its finest - just 500 meters from the river, imagine yourself enjoying morning walks surrounded by nature, watching the monkeys playing in the trees, and enjoying stunning sunsets over the trees. Situated on a quarter of an acre, this property has the potential to be further developed by adding a garden, a pool or even a small guest house.
