The lack of annoying insects makes outdoor living and socializing a pleasure. The Tambor airport is five minutes away and the uncrowded Tambor Beach stretches for miles. The Tambor area is home to an abundance of nature: large forests, monkeys, parrots and macaws, world class fishing, empty beaches, warm ocean waters, nearby waterfalls and horse trails and very little development to spoil it. All the services of the city are here: internet, TV, supermarkets, shopping, paved roads, a nearby airport, but without the noise, crowds and crime of the more developed areas. This area is a paradise and this home is a jewel in the paradise.
