Property Description

This amazing property is one of the few lots in Samara that has both an ocean view and is just steps from the downtown section and all that Samara has to offer. The lot is set back on a quiet street and is surrounded by large beautiful trees, the elevated nature and geography of the lot means it's completely private yet in the middle of Samara. This property is zoned for mixed use and would be ideal for a home plus some rental units, a small business or your dreamhome.
