## Property Description

Ocean view development parcels. General information about the projects Each project has a built central gate constructed with two lanes (entrance and exit), in need of renovations due to the ravages of time. There are water and electricity facilities at the gates. Each project has the following: • Main Plan • Master Plan • Plan with elevation lines • Projects lots are registered • Amazing ocean view and of the peninsula. The area is quiet, nature-green, with many small rivers and streams, but still located near the city center, banks, stores and all other services. • San Jose and the international airport are 01.15 hours' drive away. • Liberia and the international airport are 2 hours' drive away. • The road from Liberia is under construction for 4 lanes. Eco – living project is an option – solar power derived electricity, freshwater streams and septic tank can be used. The projects could be suitable for: • A Yoga Center – lots for group members for construction of guest rooms.
