Property Description

The Palms 401 is a direct oceanfront condo on the 4th floor. Spanning approximately 1,500 square feet, this 2 bedroom, 2 bathroom residence is being offered fully furnished. The kitchen has undergone a substantial remodel with hardwood cabinetry, lighting and granite countertops. The master bathroom has also been remodeled. The oversized terrace faces the ocean from where you will catch all the action. These are the original owners and they have never rented the unit so it is in pristine condition. The Palms is a 10-story building located on the north end of the bay of Jaco Beach. The complex offers an oceanfront pool and the owners and renters also have direct access to the pool at the neighboring Croc's Casino Resort. The community offers 24 hour gate guarded security and 2 elevators.
