Property Description

Located in PICAFLORA, right on the public newly asphalted road at only 10 min from Atenas city center, half an hour to San Jose airport and less than hour to lively Escazu and San Jose down town. This extra-large building plot counts with 2 Ha or 5 acres. There are 300 m or 1000 feet of street front which allow for any accesses or building configurations. The lot is very clean and well maintained, flat for some parts and slightly slopy for other parts. It is equipped with a functional water well under certification with the local administration. Electricity is available in the street. The best for the end: The views are incredible and hard to translate into pictures, please contact us to schedule a live visit!
