Property Description

For connoisseurs of the beautiful southern zone of Costa Rica, the residential surf town of Playa Hermosa is undoubtedly one of the most sought after, strategic and safe locations to live and invest. Hermosa is a very peaceful and family oriented community, nestled in the mountains with beautiful views of the ocean, sunset, jungle, and immersed in local flora and fauna. This beautiful coastal town has enjoyed considerable investment in infrastructure and residential and tourism-related growth in the last couple of years. Many foreigners and locals have helped to sculpt an organized community on this beautiful and easily-accessed mountain across the beach. Strategically located just five minutes from the town of Uvita where you will find all the shops and facilities that are needed for daily life. This fully-furnished villa boasts an amazing walk-to-beach location, and one of the best surf breaks in the area...
