Property Description

Lot 6 is a 2.6 acre lot offering a large building site and dramatic mountain and valley views. This lot is located towards the front of the development on its own access road. It is on the top of the ridge and offers maximum privacy and unobstructed views. La Colina Verde is conveniently located in the Alexander Skutch Bio Corridor and is just a short drive away from the pacific beaches. The property is also on the same road as Toronto's York University research center "Las Nubes" so you will never feel too isolated. With endless hiking opportunities in Chirripo National Park and the famous "Alta Gracia" resort just a stone's throw away, you will have plenty of opportunities to enjoy the beauty and diversity of the area. In addition to its stunning natural beauty, La Colina Verde is also close to the growing town of San Isidro del General, where you will find excellent hospitals, many restaurants, a fantastic farmer's market, and a thriving arts and entertainment scene.
