Property Description

Discover your piece of paradise in Atenas, where three stunning lots await discerning buyers, all from the same owner. Each one can be bought separately. Nestled in a picturesque community, these lots boast a lush landscape adorned with carefully preserved trees amidst the charm of surrounding coffee plantations. Each lot comes equipped with essential utilities, including water and electricity, ensuring convenience and comfort for your future home. For those seeking more space, two lots can be seamlessly combined, with pricing options open for negotiation. Elevated at 930 meters, the climate here is nothing short of perfection, offering a refreshing ambiance year-round. Whether you envision a cozy retreat or an architectural masterpiece, realizing your dream home is effortlessly achievable with our assistance. Benefit from our network of trusted architects and builders to bring your vision to life.
