Property Description

Allow me to introduce Casa Miraflores, a stunning colonial-style estate located in the exclusive Reserva de Golf Community within Hacienda Pinilla. This luxurious property spans 6,500 square feet, featuring four bedrooms, five and a half bathrooms, a maid's quarter, and sits on a 2,458.86m² lot. The home is distinguished by its grand columns, a roundabout with mature landscaping, and a central silver Bismarck palm tree. The two-story layout includes two expansive master suites on the upper floor, each with a king-sized bed, jacuzzi tub, walk-in closet, and private balcony, providing a serene retreat with picturesque views. The main floor is adorned with stone floors and Spanish tile accents, featuring a main living room with two-story-high ceilings, an upstairs living room, and an outdoor living room, all ideal for entertaining. This floor also includes two large bedrooms with ensuite bathrooms, one with a jacuzzi and the other with an outdoor shower and volcanic rock wall.
