Property Description

Lowest priced lot! Tucked in amongst mature jungle, this large lot, inside the fully established and gated Los Suenos community, is ready to build (see the attached renderings)! This lot is one of the few left in Los Suenos. Just a few minutes drive to the turtle beach of Ostional and 15-20 minutes to Nosara and Guiones. Located at the end of a road, this location enjoys privacy and tranquility. There is also a walking path to Rio Rosario. The seller has plans for a gorgeous home (attached renderings), which can transfer with the land. Surfing, nature trails to the river and all of the foliage and animals to go with it, privacy, and Costa Rica tranquility. It's all here. Email for more info.
