Property Description

Dominical Realty proudly presents an exceptionally rare opportunity to acquire a expansive 275-hectare (680-acre) fully titled estate nestled on the shores of Costa Rica's Golfo Dulce. This secluded haven, accessible exclusively by boat, offers a symphony of natural wonders, from a palm-fringed beach and cascading waterfall to its own primary rainforest, all enveloped by the protected embrace of Piedras Blancas National Park. This is more than just a property; it's an investment in a legacy, a chance to own a piece of paradise safeguarded for generations to come. A World Untouched... This is one of the largest titled beachfront properties in the coveted Golfo Dulce & Osa Peninsula region. Its unique location, bordered by Piedras Blancas National Park, ensures unparalleled privacy and tranquility. World-Class Infrastructure & Amenities Designed to be operated as a fully private residence for family and friends as well as a luxury sustainable hotel at other times of the year, the property includes an elegant family cabin, several luxurious guest cabins, large staff accommodations, biologists/guides quarters, a two-story open-air lounge and dining area, a fully equipped kitchen, a swimming pool, beach cabanas, and more.
