- Close To Golf
- Mountain View

## Property Description

This incredible property offers a privileged view of the Terraba River, the longest river in Costa Rica, and one of the most exuberant mangroves in the country. In addition, on clear days, you can appreciate the breathtaking views of the ocean, Caño Island and Corcovado National Park, recognized as the most biodiverse park in the world. Outstanding features: 360° views from its spacious homesite, ideal for the construction of a dream residence. Basic services ready, with water and electricity available, only requires the installation of the meter. Natural creek in the mountainous area of the property, perfect to create trails and enjoy nature on a deck for yoga or just to rest. A unique place for those seeking tranquility, natural beauty and a strategic location with unparalleled views, do not miss this opportunity!
