Property Description

Imagine yourself surrounded by the Oxygen-rich tropical forest under huge canopy trees, lush undergrowth and a picture-perfect seascape in front. The sounds of gently breaking waves, waterfalls and the calls of Toucans and White Faced Monkeys echoing throughout the almost 10 acres of tropical rainforest. Wake up to the world-famous Howler Monkeys and start every day with a new adventure. Nestled in the high rent district of Escalares this extraordinary land is a rare opportunity! Nearby attractions include Horseback riding on the beach, hang gliding, enormous waterfalls, zip-lining, whitewater rafting, scuba at Cano island, kayaking, world-class fishing, ATV tours or simply explore your own piece of paradise. This property has great building sites for a custom estate or prime for a developer. The terrain is suitable for easy development. This amazing property also Borders a Public road necessary for businesses such as a hotel.
