Property Description

Casitas del Mar are 2 brand new homes located in the highly sought-after Canto del Gavilan neighborhood. From here you can easily walk to best restaurants in town, grocery stores and you are just a short walk to the beach. The main home features split AC all around, high end bathroom and kitchen fixtures brought from the US and tons of natural light. The second dwelling is a studio apt that has yet to be furnished but will be left up to the buyers discretion on how to finish it. This property has a great income generating potential and tons of possibilities, live in one and rent the other or keep the whole property for yourself. Only half of the property has been built on and the zoning allows for more construction, so you could even build a bigger home in the front of the lot and rent the other 2 in the back.
