Property Description

Lote Jicaro has one of the most stunning ocean views in all of Samara. From this exclusive Coldwell Banker Samara property, you can see the sunrise over Carrillo beach, appreciate all the Samara bay and Isla Chora, and catch the sunset over Buena Vista Beach. This amazing ocean view property is about 350 feet above sea level helping it stay cool with a consistent ocean breeze and you won't have to compromise convenience as it's located only 2 minutes on a mostly paved road to Samara Beach and all the amenities it has to offer. This is the perfect property to build your dream ocean view home, and the layout of the land even allows the space to add a separate dwelling for a guest house or independent rental unit.
